

Welcome to Villa Rica High School 2009-2010. Our expectations continue to rise as we embark on a new journey. We made significant strides in student achievement last year. We improved our graduation rate by 15%, but we are not a school to rest on our laurels. We move forward to new goals and new and higher expectations. The students at VRHS can expect more changes in “the way we’ve always done it.” These changes will be evident in our concentration on student achievement and attendance. We believe that students must be in class in order to learn. Every effort will be made to ensure that students are in class receiving the quality instruction our faculty can provide.

We look forward to success in all of our athletic endeavors. We expect Wildcat pride to show itself on the fields of play as well as in the classroom. Our student athletes are preparing hard for the upcoming campaigns. We will continue our tradition of exciting and spirited pep rallies before selected home football games. We encourage and welcome parents and alumni to be present for these events.

Villa Rica High School belongs to the community. This belief is evident in our school motto, “**WE ARE VR.**” Our doors are open for all those interested in the education of our children. If you have any questions regarding VRHS and our programs, please contact us at 770.459.5185 or stop by our offices. We will be glad to answer any questions you may have.

Again, I want to welcome you to Villa Rica High School 2009-2010. We are anticipating a tremendously successful year. And as always, remember,

“We are VR!!!”

Sincerely,

Dennis K. Brown

Principal
